

National Educational Technology Standards / 21st Century Skills

Communication and Collaboration

Students use digital media and environments to communicate and work collaboratively, including at a distance, to support individual learning and contribute to the learning of others. Students:

- a. interact, collaborate, and publish with peers, experts, or others employing a variety of digital environments and media.
- b. communicate information and ideas effectively to multiple audiences using a variety of media and formats.
- c. develop cultural understanding and global awareness by engaging with learners of other cultures.
- d. contribute to project teams to produce original works or solve problems

The Mission of The Shipley School

The Shipley School, a Pre-Kindergarten through 12 coeducational day school, is committed to educational excellence and dedicated to developing in each student a love of learning and a compassionate participation in the world. Through a strong college preparatory curriculum in the humanities and sciences, the school encourages curiosity, creativity, and respect for intellectual effort. Shipley upholds and promotes moral integrity, a sense of personal achievement and worth, and concern for others at school and in the larger community.
